Introduction 2019

Cleaning systems for maximum
performance with utmost hygiene & profit

High-performance cleaning. Low total costs.

Isn't that what you are looking for?

Welcome at Safe Environment International! This is where you will find the products and solutions that satisfy your professional needs for cost-efficient, high-performance cleaning. But leading products are only part of the hygiene mantra professional offer. Work with us, and we will also support you with intelligent, value-adding services that will sharpen your competitive edge in attaining cleaning with hygiene.

“Listen and learn” is mantra to us

We are the partner that listen more than we talk. We are the company that is constantly launching innovative and high-performance cleaning solutions for your professional requirements. So you can make sure that office workers feel comfortable, hospital patients get well, hotel guests enjoy their rooms and pharmaceutical, automobile or any other production units cleaned without contamination.

Be sure we are the experts in cleaning

Since 1999 we have provided the cleaning industry all over India with innovative and high-performance cleaning solutions that make a real difference.

We bring down bacteria levels and infection rates. We help to keep premises looking clean and attractive looking. We provide more than 7500 products that includes ergonomical tools, machines, chemicals etc. that keep your surroundings healthy and personnel costs at bay.

All of this leads to a lower total cost-in-use.

Always change a winning concept

Every year we invest heavily in developing concepts and solutions that will strengthen your hygiene position in the competitive industry.

Behind our products are all the advantages that make working with us a profitable choice for your cleaning requirements - research and development, materials selection and production methods, training, hygiene audits, testing, testing and more testing.

Be sure we are constantly developing and changing our winning concepts, to become even better in developing the best solution for your particular needs.

Let's do business

The best credibility we get from success stories from our satisfied customers. When listening to our customers, these are some of the learnings:

-  Top contamination control
-  Excellent bacteria pick-up, without need for chemicals
-  Lower infection rate
-  Lower staff absentee rate
-  Lower personnel costs
-  Lower total cleaning costs

Explore our products and services - visit / call us - and we will be more than happy to let you achieve utmost hygiene at your workplace

Welcome to the world of cleaning & hygiene!
